

## EU RoHS Declaration

DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL OF 8 JUNE 2011 ON THE RESTRICTION OF THE USE OF CERTAIN HAZARDOUS SUBSTANCES IN ELECTRICAL AND ELECTRONIC EQUIPMENT, INCLUDING COMMISSION DELEGATED DIRECTIVE (EU) 2015/863

Products: All Standard AKD models. This covers all AKD models whose model numbers start with AKD, are followed by a letter, followed by numbers 003-024, and are then followed by 06 or 07. All additional suffixes after the listed values refer to options that do not cause change in materials are therefore covered by this statement.

Example: AKD-“X”00607-“XXX”-“XXXX”

EU RoHS Compliance Status: Compliant with the following exemptions

6(c): Copper alloys containing up to 4wt% lead

7(a): Lead in high melting temperature type solders containing 85wt% or more lead

7(c)-1: Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors

To the best of our present knowledge, based on materials selected in design and information available to us from our suppliers, this product does not contain the substances listed in the table below (EU RoHS 10 substances) in concentrations greater than the listed Maximum limit value at the homogeneous material level or comply the current exemptions:

| Substances                     | Maximum ppm | Substances                            | Maximum ppm |
|--------------------------------|-------------|---------------------------------------|-------------|
| Cadmium (Cd)                   | 100         | Polybrominated diphenyl ethers (PBDE) | 1000        |
| Lead (Pb)                      | 1000        | Bis(2-ethylhexyl) phthalate (DEHP)    | 1000        |
| Mercury (Hg)                   | 1000        | Butyl benzyl phthalate (BBP)          | 1000        |
| Hexavalent chromium (Cr6+)     | 1000        | Dibutyl phthalate (DBP)               | 1000        |
| Polybrominated biphenyls (PBB) | 1000        | Diisobutyl phthalate (DIBP)           | 1000        |

Note: (1) Maximum limit does not apply to applications for which exemptions have been granted by the EU RoHS directive Recast.
