

EU Declaration of Conformity

KOLLMORGEN

Manufacturer:

Kollmorgen, s.r.o.
Evropská 864
664 42 Modřice
Czech Republic

This Declaration of Conformity is issued under the sole responsibility of the manufacturer for

Product family:

Servomotor series DBLx (types x = 1,2,3,4,5,6,7,8) and DBKx (types x = 3,4,5,6,7)

Compliance of the product family is verified by the following Directives:

- **2014/35/EU Low Voltage Directive**

Conformity is assured through the application of the following harmonized standards:

- EN 60034-1: 2010/AC:2010 Rotating electrical machines - Part 1: Rating and performance
- EN 60034-5: 2001 + A1: 2007 Rotating electrical machines - Part 5: Degrees of protection provided by the integral design of rotating electrical machines (IP code) - Classification

- **2014/30/EU Electromagnetic Compatibility (EMC) Directive**

Conformity is assured through the application of the following harmonized standard:

- EN 61800-3: 2004/A1:2012 Adjustable speed electrical power drive systems - Part 3: EMC requirements and specific test methods

First attachment of  marking: 00

These products comply with the RoHS Directive 2011/65/EU including commission delegated Directive (EU) 2015/863 for installation in a machine. Safety depends upon installing and configuring the motor per the manufacturer's recommendations. The machine in which this product is to be installed must conform to the provisions of the EMC Directive 2014/30/EU. The installer is responsible for ensuring that the end product complies with the EMI requirements and all of the relevant laws in the country where the equipment is installed.

Signed for and on behalf of:

Jaroslav Zatloukal
Engineering Director Motors EU
Modřice
14.9. 2021

This Declaration of Conformity loses its validity by reason of changing our motors without our agreement. This Declaration does not contain any assurance of properties in the meaning of product liability.

Before operating the motor, the observance of the regulation EN 60204-1 and safety instructions stated in the Instructions manual must be complied with. The notes on safety and protection in the operating instructions must always be observed.

The above-mentioned company has the following technical documentation for examination:

- Proper operating instructions
- Diagrams (for EU authority only)
- Test certificates (for EU authority only)
- Other technical documentation (for EU authority only)

The special technical product documentation has been created.

Multiple Recognition Correlation Sheet
