

We, the company

Kollmorgen Corporation
201 W Rock Road
Radford, VA 24141-4099
USA

hereby on our sole responsibility declare the conformity of the product series

Product: Stepper Drive
Series: 64XX
Model: 6410, 6415, and 6420 followed by alphanumeric characters

with the following directive:

The EMC Directive **2014/30/EU** using the following harmonized standards.

EN 61800-3:2004/A1:2012

Adjustable speed electrical power drive systems — Part 3: EMC requirements and specific test methods

LVD Compliance Notification:

The operating range of the 64xx series is 24 – 75 VDC, which is below the threshold for applying the Low Voltage Directive.

CE Mark affixed to the drive first time 1998.

Safety depends upon installing and configuring the stepper motor drive per the manufacturer's recommendations. The machine in which this product is to be installed must conform to the provisions of the EMC Directive 2014/30/EU. The installer is responsible for ensuring that the end product complies with the EMI requirements and all the relevant laws in the country where the equipment is installed.

Additional information:

Proper installation and operating instructions are available for use with this product.

Technical File documentation (CE rationale and test certificates) is available (for EU authorities only).

Production and change is controlled under ISO 9001:2008 certified processes and procedures.
