with the following directives:

The Low Voltage Directive 2014/35/EU using the following harmonized standard:

EN 50178:1997

Electronic equipment for use in power installations

The EMC Directive 2014/30/EU using the following harmonized standard:

EN 61800-3: 2004/A1:2012

Adjustable Speed Electrical Power Part 3: test methods

First CE marking was 2004

These products comply with the RoHS Directive 2011/65/EU for installation in a machine. Safety depends upon installing and configuring the servo motor drive per the manufacturer's recommendations. The machine in which this product is to be installed must conform to the provisions of the EMC Directive 2014/30/EU. The installer is responsible for ensuring that the end product complies with the EMI requirements and all the relevant laws in the country where the equipment is installed.

Proper installation and operating instructions are available for use with this product.

Technical File documentation is available (for EU authorities only).

Product is compliant with UL 508C and C22.2 No. 274-13.
